Expedited Compliance Services Onboarding Instructions

Welcome to Consumer Testing Laboratories, a UL company

1. Requesting an Account

- In order to submit applications for testing and access other useful resources, please request an account. To get started visit, www.consumertesting.com.
- On the home page, click Request Account under the login tab.
- Complete the required form with your contact information and company details.
- The Laboratory used most often should be the location where you will primarily submit your samples. See locations below for details on our laboratories.
- When the form is complete, click Submit Request. The lab will review your information and email you with your username and a password.

2. Menu Options

- Once you have received your username and password, use it to Login to the website. When logged in, you will be presented with a list of menu options. Below is a description of each option.
- **Expedited Compliance Service (ECS)** – Select this option to be taken to our Test Request Forms. These forms are web-based forms to allow you to complete and submit within the web browser window. Once completed, the form will allow you to download and print a PDF to be submitted with your samples to the appropriate lab.
 - Account maintenance and help functions are also available in OTA
- **Manage My Account** – This menu option will allow you to change your account password as well as View and Edit your account contact information.
- **Corporate View** – This Business Intelligence tool provides you with full transparency to testing reports for your products. You can run on-demand historical queries differentiated by rating, item or style information, test date, etc.; as well as see the status of testing in progress.

3. Standard Turn Around Time

- When samples are received at the lab, they are logged into our system to begin the testing process. The standard turn time by lab is listed below:
- **Softlines (Textiles)** – In most cases 3 Business Days
- **Hardlines (Hard Goods)** – In most cases 5 Business Days
- **Express Service** - 2 Business days (100% surcharge)
 - Please Note: Some items cannot be expressed due to extended testing requirements associated with some labeled claims.
